PRODUCER OF THE MONTH

Menagerie is an extraordinary collection of Napa Valley wines that brings together world-class winemaking, artistry, and a deep commitment to wildlife conservation. Founded by Ricky and Lisa Novak, whose vision and passion are at the heart of the brand, the wines are crafted under the expert direction of highly acclaimed winemakers Philippe Melka and Maayan Koschitzky.

Sourced from exceptional Napa Valley vineyards and produced in extremely limited quantities, each wine reflects an uncompromising dedication to quality, depth, and elegance. Beyond the Menagerie collection is Yarrow x Menagerie, an exclusive collaboration with world-renowned fine art photographer David Yarrow, celebrated for his powerful and evocative images of wildlife and the natural world.

Philanthropy is also central to Menagerie's mission. With Tusk as its primary charitable partner, Menagerie supports vital efforts to protect endangered species, preserve their natural habitats, and empower the communities that share their landscapes.Together, these elements define Menagerie: exceptional wines, extraordinary artistry, and a meaningful purpose that extends far beyond the glass.
