The Twenty Two

LONDON

PRIVATE DINING + EVENTS

Set within a historic Edwardian manor on Grosvenor Square, The Twenty Two is a boutique hotel and private members' club for the creative and curious.

Our collection of event spaces is designed to flex with the occasion. Our Private Dining Room is suited to intimate breakfasts, lunches, and dinners, while The Members' Dining Room and The 22 Club are connected by an elegant bar and complemented by a shared DJ booth, creating the perfect setting for more lively occasions. The Vaults offer an indoor-outdoor setting for drinks and dining, anchored by a striking red bar. Our neighbourhood restaurant provides a refined backdrop for both hosting and more formal occasions.

We offer complimentary printed menus, handwritten place cards, and background music. Celebration cakes can be made to order and personalized.

Bespoke table design, florals, and live entertainment can be arranged through our trusted partners upon request.

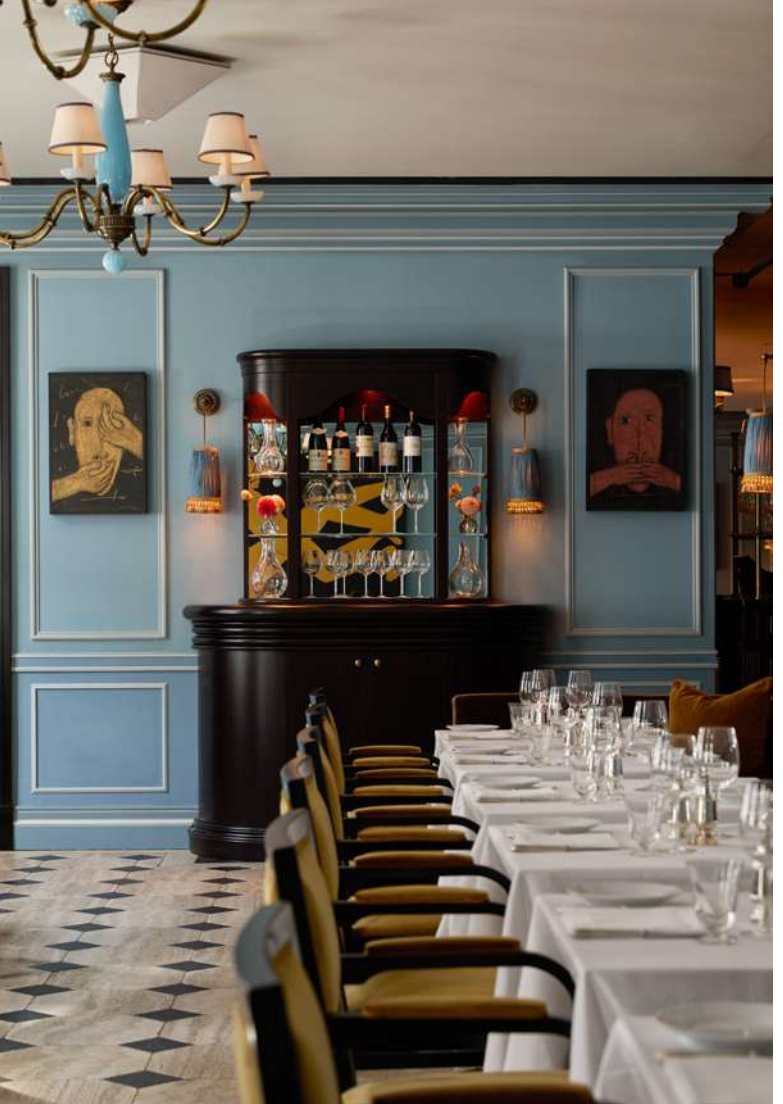

Prior approval is required for all branding and photography within our spaces.
